

Endras Prestige Automall

The 4.9 Ha. site was scheduled to be subdivided into a high end automall. The Municipality required a Tree Preservation Plan & Valuation to determine compensation for tree removal. Henry Kortekaas & Associates calculated compensation & negotiated a settlement approximately 30% lower than the Municipal demand.

Vasvik Expropriation

The 8.07 Ha. property is schedule for expropriation by the MTO for the 407 East extension. The offer of compensation did not take into account the tree & timber resources on the property. Henry Kortekaas & Associates inventoried the site & provided a substantial valuation for the resources on the property. The valuation was peer reviewed & submitted to the MTO as part of a counter offer.
