**ONTARIO POWER GENERATION PICKERING
PEDESTRIAN ACCESS ROUTES**

Henry Kortekaas and Associates prepared a master plan for the main pedestrian access routes to the Engineering, Security and Administration buildings. The task was to rationalize parking and pedestrian routes, resolve conflicts, improve aesthetics, provide cost estimates and prepare a presentation package.

Ajax Steam Plant

Henry Kortekaas & Associates prepared the Landscape & Irrigation Plans for the refurbishment & expansion of the Ajax Steam Plant. We also prepared a presentation to the Ajax Council on the integration of the Steam Plant's heritage into the landscape. This included rendered images of the plan features & sculptures that would be included in the design. The firm has recently been awarded tendering & supervision of the site works.
